# Pediatric Cardiac Care of Arizona FINANCIAL POLICY

Welcome to Pediatric Cardiac Care of Arizona and thank you for choosing our practice for your child's cardiac care. We are committed to providing quality medical care for your child. In order to reduce potential misunderstandings, our office has adopted the following Financial Policy. We require that you read it and agree to abide by it prior beginning treatment.

#### **Forms of Payment**

Pediatric Cardiac Care of Arizona accepts cash, checks, debit cards that can be run as a credit card, Visa, Discovery, MasterCard and American Express. Any payment returned from our financial institute will be assessed a \$30 fee which must be paid by cash or credit card. No future checks will be accepted.

#### Insurance

#### Your insurance policy is a contract between you and your insurance plan.

We expect you to familiarize yourself with the benefits and limitations of your insurance policy including, but not limited to: deductible, coinsurance, and copay amounts prior to your appointment.

We require deductibles, coinsurance, and copays at the time of service for office visits.

Without your complete insurance information prior to date of service, you will be responsible to pay in full.

We will file claims to those plans with which we have a contractual agreement as long as we have valid insurance information **AND** insurance card(s). Please contact your insurance company if you do not agree with their decision. We do not bill third party insurance carrier i.e., auto insurance, school insurance etc.

All health plans are not the same and they do not always cover the same services or facilities. In the event that your health plan determines that a service is "not covered" you will be responsible for the entire charge. Any cost incurred by this office because of incorrect information you provided to us will be passed on to you. This office is not responsible for disputing decisions made by your insurance carrier regarding coverage.

#### Payment for Account Balance

If you need to setup a <u>payment plan</u> for an account balance, our front office staff or billing office can assist you. We reserve the right to send balances to an outside collection agency if left unpaid.

#### <u>Appointments</u>

If you are unable to keep a scheduled appointment or if your child is ill, we request that you call at least 24 hours in advance to cancel. If it is after hours, you may leave a message on our voicemail.

#### I have read and agree to abide by the above policy.

Child's Full Legal Name - PLEASE PRINT	Child's Date of Birth
Custodial Parent Name - PLEASE PRINT	Relationship to patient
Custodial Parent Name - Signature	Date

#### PARENTING AND NO SHOW POLICY

#### We require a custodial parent or guardian be present for each visit for children under 18.

If a custodial parent is not able to be present, we must have a signed letter on file giving permission for another adult to be present and consent for the care of the minor child.

We require a valid photo identification card of the custodial parents(s), foster parent, or any adult in which you have submitted a signed letter indicating they may consent to any and all treatment for that child. A <u>valid photo ID</u> card includes any state issued ID card, a valid state driver's license, military ID card, or a valid passport.

The parent or authorized adult bringing in the minor child is responsible for any monies owed for copays, deductibles, and coinsurance or denied claims at the time of the visit.

## It is not the responsibility of the physician and/or staff to communicate visit information to each custodial parent separately.

The providers and office staff of Pediatric Cardiac Care of Arizona will not be put in the middle of domestic issues or disagreements. If we feel this is becoming an issue and compromising the care of the minor child and/or if at any time a family OR non-family member becomes abusive with the staff, we have the right to discharge the family from the care of the practice.

Only in situations where there is a **confirmed**, **documented Court Order** will one of the parent's be denied access to the minor child's health records or visits at the office. Pediatric Cardiac Care of Arizona **must** have a copy of this Court Order on file in the minor child's electronic chart.

#### **No Show Policy**

Please call our office as soon as possible if you know you will not make an appointment. We have a voice mailbox that you can also leave messages before and after hours. This gives us time to schedule emergency patients or other individuals on our waiting list.

- Any established patient who fails to show for an appointment without 24 hours' notice will be charged \$35. For each scheduled testing time held (i.e. echo) the same fee will apply.
- If there are three no show/cancellations without a prior notice, we reserve the right to dismiss the
  patient from our practice. We will notify your PCP and provide information for another cardiology
  practice.

#### I have read and agree to abide by the above policy.
